SUBJECT: FY'82 Guaranteed and Insured Funds Distribution  
Farm Ownership and Operating Loans

TO: Director, Finance Office, State Directors  
District Directors and County Supervisors

The unobligated State balances of guaranteed farm ownership and operating loan funds are being withdrawn and pooled nationally effective April 12, 1982. Based on the obligations to date, it appears the remaining balances in these guaranteed programs should be adequate to meet the demand for the remainder of the fiscal year. You may submit obligating documents to the Finance Office for funding in the order received.

We indicated in FmHA AN No. 636 (1940) that unobligated insured FO and OL funds would be pooled on August 5, 1982. The trend on OL obligations indicates that some States will not use all its allotted funds. If this trend continues, we plan to pool unobligated insured OL funds on June 1, 1982. You will be notified when this decision is made.

There are no plans at this time to change the FO fund pooling date.
